

Congratulations

If either your firm choice (or your insurance if you missed your firm offer) is unconditional, your place is secure. Make sure you check your emails (including junk mailbox) for info from the unis

Want to Change Uni?

Discouraged at this late stage, but If you are sure you want to apply to other unis, you can self-release into Clearing (NB this cannot be undone). You can do this from July 5th onwards.

Place Confirmed

Universities may award the place, anyway, check your UCAS Track to see if your Firm or Insurance choice is marked as Confirmed.

Alternative Offer

Your Firm/Insurance uni may make you an alternative offer (e.g. for a different course), which you can accept or turn down on Track

Awaiting Decision

Your Firm/Insurance Choice may still be considering whether to award you a place, if you have missed the offer, contact them to find out if there is anything they need from you. You can self-release into Clearing.

Exams Appeal

The grounds for appeal this year will be very limited. Info on this will be sent separately.

Uni Appeal

You may be considered for an alternative course (e.g. foundation) at your preferred uni. Contact them if you'd like to find out.

Clearing

If you still want to go to university, then you can use the Clearing process to find an alternative university place. See guide on Clearing.

Unconditional Offer Holder

You are holding an unconditional place as your firm choice, and this has been marked as confirmed.

Conditional Offer Holder Grades Met

You are holding a conditional firm or insurance place, and your place has been marked as confirmed.

Exceeded Predicted Grades

Your summer grades are higher than those originally predicted on your UCAS application

No Longer Want to Go to University

You have decided that you do not wish to go to university in this cycle.

Withdraw

Contact the university from which you have a confirmed place, without delay (so they can fill this through Clearing/Adjustment) and withdraw your place. NB this cannot be undone.

Change Course

If you want to go to the same uni but a different course, contact the uni to discuss this.

Congratulations

If either your firm choice (or your insurance - if you missed your firm offer) is now confirmed, your place is secure. Make sure you check your emails (including junk mailbox) for info from the unis

Adjustment

You *can* apply to universities with higher entry requirements than your previous predictions, whilst holding your original place for a few days. See notes on Adjustment.
