Dear Parents and Carers

We hope you and your families are safe and well. We are finally in reach of completing our last days of remote learning and we would just like to say how proud we are of all our students for all of their hard work and effort put into their learning throughout this difficult time.

We also appreciate all the support you have given to your child which has enabled them to continue with their learning at home. We know this must have been difficult, especially when juggling work or home learning with more than one child so, for this, we thank you.

We are looking forward to seeing all our students again next week during our safe, steady, gradual return to our academy and finally getting back to some normality. For a reminder of details of our phased return, please refer to our letter sent on Monday 1st March, which can also be found on the link below.

We hope that you all have a restful weekend. Thank you again for your continued support.

Yours faithfully,
