Dear Parents & Carers

Re: Covid Measures

The guidance for schools in regard to COVID 19 measures changed in July and August this year. Schools are now required to take a stepped approach in their actions in response to Covid cases and as always, follow guidance from Public Health Authorities.

We have been advised by Public Health Walsall that, as a school, we must now reintroduce face masks in internal communal areas and classrooms. This will mean that as of Monday 11th October 2021, we will expect all students, unless exempt, to be wearing a face covering. I must stress it is the responsibility of the student to bring a face mask to school with them and ideally have a spare.

I look forward to your support in this matter.

Yours sincerely

Mr A Lawrence
Vice Principal
