WALSALL HOLIDAY ACTIVITIES AND FOOD PROGRAMME

#HAF2022

Walsall Council

Department for Education

PROUD OF OUR PAST OUR PRESENT AND FOR OUR FUTURE

WALSALL CHILDREN HOLIDAY ACTIVITY PROGRAMME 2022

Welcome to our Easter Holiday Booklet, which will provide you with everything you need to know about our free activities which will take place for children and young people aged 5 – 16 years old over the Easter holiday! The Department for Education's (DfE) Holiday Activity and Food Programme (HAF) has provided funding for the scheme.

How do I know if my child is eligible?

Your child/ren will qualify if all these statements apply:

- Your child is eligible for benefit related free school meals or is a young carer or on a plan
- You live in Walsall
- Your child is between the ages 5-16 yrs

How to register and book activities for the Christmas Programme?

You can either register online (HAF Portal) use the following a link:

www.walsall.gov.uk/children_and_young_people/haf_signup

Alternatively, if you are unable to register online you can call the HAF helpline on 01922 653899 (Monday to Friday, between 10:00am to 4:00pm)

or email: WR4C@walsall.gov.uk

Please note you will need your child's unique code to register and make activity bookings.

For the 2022 programme you will only need to register once which will provide you with access to your account throughout the year.

To access your account, use the following link:
<https://haf.walsall.gov.uk/Account/Login>.

To login you will need your email address and the password that you have created. If at any time you would like to be removed from the registration portal, please email WR4C@walsall.gov.uk.

Once you have registered for the programme you are then able to book your child's free activities.

If your child or young person has additional needs or special educational needs, please ensure you state this on the registration form to ensure that the provider can make arrangements to meet the needs of your child.

When do the Easter activities start?

The activities will take place over the Easter holidays from Monday 11 April to Thursday 14 April 2022 and Tuesday 19 April to Friday 22 April 2022

What will be on offer?

There is a wide range of opportunities for children and young people to engage in over Easter. Your child or young person can pick one of the following;

- One week of holiday club providing a range of activities throughout the day for children to engage for at least four hours for four days for one week with a healthy meal included.
- Or four pick and mix sessions targeted at young people to provide them with a choice of activities they can engage with, this will also provide opportunities for young people to learn new skills. These could be courses in dance, music, swimming, sports coaching, youth work training, fishing, mentoring

If you have any queries and want to get in touch with the provider, visit our webpage:

https://go.walsall.gov.uk/children_and_young_people/haf_signup

Where can I find my code?

You will have received a letter in the post from Walsall Council, which contains your child's unique code.

What if my child has not received a letter?

If you are unable to find your letter or if you have any other queries, please contact your school directly or email the HAF team on WR4C@walsall.gov.uk with the following information;

- Your Child's Name
- Their date of birth
- Your address
- School

The team will then email your unique code, alternatively you can call telephone on 01922 653899 (Monday to Friday 10:00 to 4:00pm)

What happens after I have registered and booked my child's holiday programme?

Once you have booked you will receive an email with confirmation of your child's booking.

We will send your contact details to the provider of your child holiday provision, and they will contact you directly to discuss any practical arrangements (arrival time, any COVID guidance, and any special requirements your child may have, including dietary needs).

Other questions or need help?

If you are unable to sign up on line or if you have any questions you can email us at WR4C@walsall.gov.uk or you can ring our Holiday Activities helpline on **01922 653899** (Monday to Friday 10:00 to 4:00pm) Follow us on Twitter (WalsallRight4Children) or Facebook (Walsall Families in the Know) to keep updated on the activity programme #HAF2022

BMYG YOUTH WORK CIC/ YOUTH CONNECT

BMYG Youth Work CIC working under the trading name Youth Connect is one of the main providers of youth services in Walsall, Working with hundreds of young people across the borough. We use Centre based, detached, sports sessions as well as specialised programmes and interventions to work with young people and their families. We have over 10 years' experience of working with hard to reach and marginalised young people in some of the most deprived wards in the UK. Our experience with our local mainstream youth population's, NEETS young people, young offenders or those on the periphery of youth crime has shaped our delivery and the way we offer services to young people. In order to maximise buy in from young people and offer the best chances of positive outcomes we always try to ensure a bespoke package of delivery for the needs of the young people we are working with. Youth Connect works primarily in central and South Walsall delivering multiple weekly sessions. All of our sessions are of no cost to young people. Working with the police, local authority, community partners and education providers we target hot spot areas and co-develop interventions with young people and partners. We work with a very diverse youth population and understand that whilst local authority youth work has greatly diminished, there is still a vital need for open access youth work. Young people need increasing support in Walsall as youth unemployment is increasing, anti-social behaviour and youth crime is rising , young people need a more holistic support offer to enrich their lives. Our projects are mainly aimed at working with young people between the ages of 8 to 19 (up to 23 in cases of LDD). We offer and aim to target all young people regardless of the race, religion, sexual orientation or background and work with young people for young people to ensure that their voices are enshrined in the projects we deliver.

BOUNCING STATISTICS

Bouncing Statistics
Overcoming the misunderstood conception

Bouncing Statistics is a community interest company placed at the heart of serving others. They are on a mission to create a world where generations are inspired to look beyond their normality. Whilst also holding the vision to create a future where the statistic doesn't define you.

We do this by predominantly delivering engaging mentoring and wellbeing sessions to young people who come from a range of backgrounds and have a range of experiences. We look to have a real foothold in the communities across the West Midlands, empowering all young people to fulfil their potential.

From the outset at a Bouncing Statics Easter Camp, we want the young people to not only develop, but as a priority have fun! We are constantly incorporating young people's feedback from our existing camps experience. To ensure that we create an environment where they always want to come back.

Participants will get the opportunity to engage in a range of sports, whether this be football, rounder's, badminton, boxercise or kwik cricket, to name a few. With there being an enrichment activity incorporated into the camp experience. Whereas over Christmas, via the Walsall HAF programme, participants were able to enjoy a trip to Ninja Warriors!

Programmes consist of a dual delivery approach. Whereby, participants will not only be physically active, but will have the opportunity to develop their personal characteristics and traits. Where we discuss various topics such as communication, self-awareness, self-discipline, social awareness and even nutrition.

We look forward to having your young person with us during the Easter

KIDS

KIDS is a national charity, founded in 1970, that provides a wide range of services to disabled children, young people and their families in England. Last year over 11,800 disabled children from birth to 25 years benefitted from our work. Our services include drop-in crèches and nurseries for the under 5s to youth clubs, short breaks and residential stays for young adults. Commissioners and users appreciate the high quality of our information, advice and mediation services and 96% of parents say they are happy with the KIDS services they receive. We aim to empower disabled children and young people to develop their skills and achieve their aspirations. We create opportunities for them to take part in play, learning, leisure, skills training and social activities. Our success is based upon building a close partnership with parents, carers and siblings and helping them find solutions to the obstacles they meet in daily life. KIDS' vision is a world in which all disabled children and young people realise their aspirations.

SOC COMMUNITIES FOUNDATION CIC

We are the UK's largest Coding & Computer Science educator for children and adults. Here at School of Coding, We teach computer science, coding and digital skills to children and adults across the UK & Europe. We provide coding lessons online and at our education centres. Our mission is to engage, inspire and create tech leaders of tomorrow from a young age. Our vision at School of Coding is to help students become more creative and logical thinkers, and one of the ways we do this is by innovating and creating state of the art tech workshops. Our holiday camps consist of fun-packed, engaging, educational coding & engineering workshops. We believe that a basic understanding of coding provides a set of fundamental skills that are vital to the child's future and the future of the global economy. Therefore, we ensure our clubs and workshops are fun and inspiring for all students, and we do this by bringing Computer Science to life through interactive activities!

SPORTSCOOL WALSALL

Sports Cool are a Multi Sports Coaching company, delivering a multitude of products to Primary Schools since 2008. Our ethos of educate, motivate and participate runs through our business from top to bottom. We are very passionate about offering children the opportunity to try new things and have fun doing so. We are proud to be able to deliver not only mainstream sports such as football, rugby, basketball, but also dodgeball, fencing, archery amongst others. We feel there is a sport out there for everyone, and want to give children the access to try new activities. As part of this programme, we would love to offer children who may normally not be able to access camps, the chance to join our of our holiday camps and learn some new skills, meet new friends and engage in some fun activities.

WALSALL FC COMMUNITY PROGRAMME

Walsall FC Community Programme was formed in 1989 as the registered charity of Walsall Football Club. We aim to make our vision a reality by delivering sessions and projects under WFCCP's four key themes of Education, Sports Participation, Engagement and Health: Education – We work together to make a positive impact on individuals and the wider communities to enable people to achieve their goals and progression in life working in partnership with local educational establishments. Sports Participation – We aim to inspire and raise aspirations of local people to engage in sporting activities centered on football as the core sport. This will be all encompassing participation and, if needed, focus on specific individuals or groups. Engagement – We deliver a wide range of innovative, quality programmes that engage people through football and sport. Through this we can support all groups and individuals in Walsall. Health – We will enable introductions to healthy lifestyles, continued participation in healthy activities and supporting residents to create a more active and healthier way of life. We aim to provide excellent communication and customer care, and opportunities that empower and engage all users. WFCCP will also maintain Walsall FC's tradition and standing as an excellent "Community" football club.
