

Message from our Principal

I would like to start this issue of The Key with a well done to our Year 11 and Sixth Form who have now completed their mocks. I was genuinely proud of the approach taken by the pupils. We now move nearer to the real exams with 95 days before they begin. Starting 4th February, to support our Year 11, we will begin Session 7 as a compulsory element. The focus for this will be core subjects delivered here at the Academy after school.

On Thursday, we held a meeting for those likely to be interested in a 3 A' level equivalent qualification in Sport. I am keen to develop further routes like this to give a focused offer to our pupils in the Sixth Form.

A final reminder that this is the last weekend to complete the parent/carer survey.

Finally, and hot off the press, I have been informed that planning permission for the new block of classrooms with toilets has been approved for the academy. This build also includes a refurbishment of the changing rooms in PE. I appreciate there will be some disruption but I'm excited to see this project start.

Principal
