## MESSAGE FROM OUR PRINCIPAL

*Written by Mr A. Lawrence*

This week Year 7 are taking lessons in basic first aid. It's a vital skill and the ability to give CPR could save a life. Indeed, countries like Norway make it mandatory to have a first aid qualification and to have a driver's licence. Interestingly, they have the best heart attack survival rate in Europe. Over the course of the week, we have been celebrating Europe Week in our canteen with a daily European dish. This included Bangers and Mash served for V.E. day on Thursday.

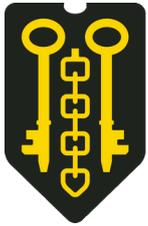

The under 13 Cricket Team put in a wonderful effort and came runners up in the Staffordshire County Cricket Cup. A great team performance, well done!

The exam season is really starting to heat up with Sport, Drama, Business, IT and Art exams

all taking place this week for Year 11. Next week sees one of the first whole cohort exams with English Literature Paper 1 on Monday. Get those Macbeth and Christmas Carol quotes ready Year 11.

The build continues with the foundations being dug out ready for the steel frame's arrival over half term. The team is progressing well. Also, on Wednesday next week an additional toilet block and catering outlet will be being put on to site to expand the facilities for pupils.

Have a great weekend, and Year 11: "Screw your courage to the sticking place!" ready for Monday.

## SPORTING UPDATES

Year 7 boys football lost 5 -0 to Barr Beacon earlier this week.

Under 14 boys cricket team had an amazing game and attitude at Walsall cricket Club, narrowly losing in round 4 of the Staffordshire County Cup.

Under 13 boys cricket team finished runners up in the Staffordshire Indoor Cricket Festival. Our lads did brilliantly all day and narrowly missed out on first place.

## FIRST AID WORKSHOPS

Throughout the week, Year 7 students have been participating in First Aid Workshops courtesy of the British Red Cross. Students have performed CPR on dolls and learnt about the bystander effect, as well as how to use a defibrillator and where to locate one. Their participation was fantastic throughout the workshops and now are better equipped in life-saving situations.

## PRECIOUS LIVES TALK

On Tuesday this week, the Academy welcomed a guest speaker from Precious Lives. Gary Williams spoke to our Year 7 students about the dangers and risks of knife crime, the impact of this and shared his own personal story.

The Precious Lives project sees a team of trainers, who have real life experience of knife crime either as a victim, offender or professional, speak to young people in order to help them understand the consequences of carrying or using a knife. The trainers share their experiences and pass on the lessons they've learnt to the class.

The sessions are designed to be hard hitting and impactful with an emphasis placed on connecting with the young people and delivering a message. Our students found this presentation informative and engaged well by asking Garry a range of questions.

We look forward to welcoming the Precious Lives Team back into the Academy again next year.
