Tuesday 10th June

Year 10 Mock Exams Start:
Monday 16th June

MESSAGE FROM OUR PRINCIPAL

Written by Mr A. Lawrence

This June is a milestone for Pool Hayes as it celebrates its sixtieth anniversary. I am led to believe that the school was built on a former pig farm and had originally opened as a secondary and primary school. It certainly has seen a vast amount of change. The Four Tops were at number 1 and the CSE was launched for school leavers when Pool Hayes opened. In its time, the school has seen over 12,000 Year 11's join and leave. Again, this September, we will be welcoming a new cohort of Year 7's to the Pool Hayes family. It was wonderful to see so many attend our first ever meet and greet on Thursday and we look forward to seeing you all again during transition. We will also be holding PHA Proud Days and an evening to celebrate our birthday in the upcoming half term.

I was delighted to hear that our first ever girls' cricket team entered their first tournament this

week and that the girls' rounders team beat St Thomas More. Well done to both of our teams, you did your teammates and your school proud.

Next week we expect the steel frame to be erected on the new build. This is an exciting time as it will be a chance to properly visualise the scale of the new block.

This time of year, is often tinged with a little sadness. This was true today when we waved bon voyage to our Year 13. We have known these wonderful individuals for seven years and have watched them grow and mature into young adults. We look forward to seeing your results in August and I cannot wait to hear all about what you've been up to over your summer.

Have a wonderful half term, and remember it's never too late or too early to revise!

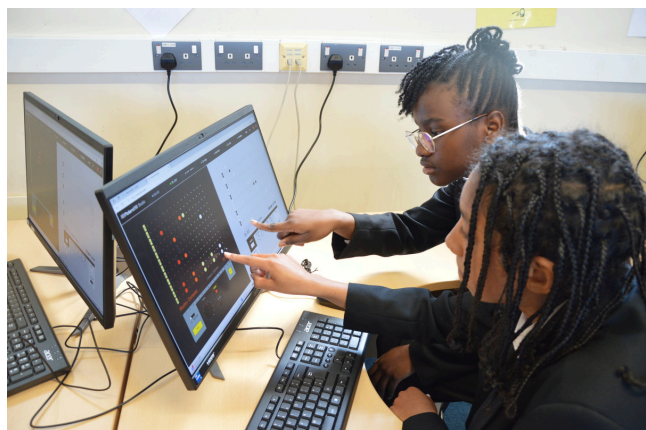

SPORTING UPDATES

Our Year 7 Girls Rounders Team beat St Thomas More, 14 - 12.

Our first ever Girls Cricket Team took part in a tournament this week at Walsall Academy.

MUSIC NEWS

KS3 Students have been composing their own music using a variety of music software and technology. It has been great to see students being active musical learners engaged in creating music, making decisions and problem solving - Mr Dunphy.

STUDENT SUCCESSES

Students have been working hard to complete their Sparx Homework. So far, as a school this year, we have read for **2,605 hours** and read **1,700 different books!** In Maths we have answered **906,534 questions!** In Science we have answered **272,565 questions!**

On Languagenut students have earned an impressive **330,800 points** this month!

Congratulations: amazing work and effort from our students!!

This week's homework is available on Sparx now.
