

Monday 19<sup>th</sup> May 2025

Dear parents and carers,

I would like to take this opportunity to congratulate our Year 11 students on their conduct in exams so far. They have been attending morning breakfast sessions to complete extra revision prior to exams and there is also a real buzz around the academy in relation to the exams, which I would like to continue.

With this in mind, I need to reiterate that all students must attend the academy daily in the correct uniform. I would like to remind parents and carers that we are continuing to support your children through these exams by offering detailed revision sessions in addition to their normal timetabled lessons. This is proving to be advantageous as several topics that have been addressed in revision sessions have appeared on the exam papers. Students have noted that topics delivered in revision sessions in English, Geography, Maths and History have been on the exam papers that they have sat so far. We will continue to produce these high-quality revision sessions throughout the exam period and ask that you as parents and carers support your child in attending school on time every day.

This week is particularly important before we break up for half term. Several revision sessions are planned alongside daily lessons. Tuesday and Wednesday this week have English, Science and Maths lessons alongside exams in English Literature, Physics and English Language towards the end of the week, so I urge parents and carers to work with us in encouraging your child to attend all sessions this week.

Yours sincerely,

Mrs Lisa Macey  
Vice Principal
