

Tuesday 2nd September 2025

Dear Parents and Carers,

I hope this letter finds you well.

I am writing to introduce myself as the new Head of Academy. It is an honour to be given the opportunity to lead Pool Hayes Academy onto the next phase in its journey. I want us to have a strong reputation with clear commitment to high standards, student development, and community values.

Over the past 8 years, I have worked as Assistant Principal leading on transition and Sixth Form, and more recently Vice Principal leading on quality of education and outcomes. I am passionate about creating a positive environment where all students are challenged, supported and inspired to succeed both academically and personally.

I am proud of the positive relationships between staff and students, the high expectations and the strong sense of pride in the school community. These are all qualities I deeply value and am committed to building upon.

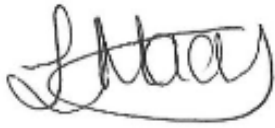

As Head of Academy, my priorities will be to ensure that every student receives a high-quality education, has access to excellent pastoral support, and leaves our #PHamily as a competent, capable and confident young person, ready for their next steps - whether that be university, further training or employment. I also want to strengthen the partnerships between school and home, as I believe that regular, open communication is key to supporting students' success.

Over the coming weeks and months, I look forward to meeting our new Year 7 students and their families. I will be visible around the academy and at key events, and I warmly welcome conversations with all parents and carers about how we can continue to move the academy forward together.

Thank you for the lovely messages I have already received - it has been genuinely appreciated. I am excited to begin this new chapter and to work with you in supporting your child throughout their time at Pool Hayes Academy.

Just a polite reminder that we are looking forward to welcoming all students back into our academy tomorrow morning by 8:40am.

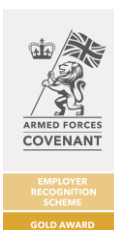

Yours sincerely,

Mrs L Macey
Head of Academy
