

Dear Parent/Carer,

Pool Hayes Power Ups

At Pool Hayes Academy we believe in setting homework. This, for us, is called 'Power Ups'. Power Ups are important because they reinforces classroom learning, builds responsibility, and helps students develop independent study skills.

Power Ups are short, sharp activities that target powerful knowledge and skills. Rewards will be given to those that complete Power Ups.

In Years 7, 8, and 9 our core offer is Sparx Learner. This is supplemented with Seneca and Languagenut. In Year 10 and 11 our core offer is Seneca, Languagenut and Sparx. This is supplemented with Intervention and additional tasks from subject staff where applicable.

Sparx Learning

A new Sparx Power Up will be available from:

- Maths = Friday at 8am - Deadline Wednesday at 9pm
- Reader = Friday at 8am - Deadline Thursday at 9pm
- Science = Wednesday at 12pm - Deadline Tuesday at 10pm

Seneca - Learn 2x Faster

Years 7, 8 and 9: A new Seneca Power Up will be available every fortnight on a Monday - and these will be open for completion. The deadline for this is Sunday at 9pm.

Years 10 and 11: A new Seneca Power Up will be available every Monday - and these will be open for completion. The deadline for this is Sunday at 9pm.

Languagenut | Digital Language Resources for Schools

Languagenut is set once a week.

To access: All platforms just require a student's email or log on details that are used to log in at school. Please click on the Microsoft option on the log in page first.

If you have any questions, please do contact me at cassie.pearson@attrust.org.uk

Yours sincerely,

Mrs Cassie Pearson
Associate Assistant Principal
