Dear Parent/Carer,

I am pleased to invite you and your child to our **Year 10: Unlocking Your Potential Evening**, which will take place on **Thursday 8th October at 5:00pm**.

This important event marks the beginning of your child's GCSE journey. During the evening, we will be providing practical advice and strategies on how best to support your child with their revision and preparation for exams. You will also receive detailed information about the support available at school throughout Year 10 and beyond.

All students attending the evening will receive a **free GCSE support pack**, including revision resources and books to help them get started on the right path.

We strongly encourage all Year 10 students to attend this event with a parent or carer. Your involvement can make a significant difference to your child's success.

Please complete the form on the link below to confirm if you are able to attend.
